 - 1.3.3 Grading (Level placement) will only apply to the rider and not the horse.
 - 1.3.4 The scores from the rider's top two qualifiers plus provincials will be used to determine the average level achieved **The average level will be calculated in the same way as the average level for grading is determined, i.e. the lowest level obtained between the two styles (Raid & Tower) will be the deciding level. (i.e. if an archer shoots a HA2 level on Raid style but only HA1 level for Tower on the same day then the average level for that day will be HA1 and the competition scores will not meet the minimum criteria to be used in the calculation of Provincial Teams and colours..**
 - 1.3.5 To qualify for provincial colours the average level that has to be attained across the three competitions is **HA2 level for both junior and senior riders.**

2. Qualifying for Nationals, National Teams and National colours

- 2.1 Nationals are open to any rider regardless of whether they attended two qualifiers. However should a rider wish to be eligible to ~~earn~~ **qualify for the National Team and National colours** they need to have attended a minimum of two qualifiers as well as Nationals.

- 2.4 The scores from the rider's top two qualifiers plus Nationals will be used to determine the average level achieved. **The average level will be calculated in the same way as the average level for grading is determined, i.e. the lowest level obtained between the two styles (Raid & Tower) will be the deciding level. (i.e. if an archer shoots a HA3 level on Raid style but only HA2 level for Tower on the same day then the average level for that day will be HA2 and the competition scores will not meet the minimum criteria to be used in the calculation of National Teams and colours.**
- 2.5 To qualify for **the National Team and National Colours** the average level that has to be attained across the three competitions is **HA3 level for both juniors and seniors.**

6. IHAA Postal Matches:

The concept of postal matches is not a new one. They have been common in target archery for many years. Postal competitions are ideal for our sport: even within our own countries we are spread out and only a fortunate few are able to travel abroad to compete in person with foreign friends. With these postal matches you can compete at home or in your local club, on a familiar horse, and at the time of your choosing. We welcome participation from everyone; from beginners to masters, regardless of school or affiliation. There are no prizes and people are not judgmental. Let's all just have fun shooting together!

MAASA complies to IHAA system of Postal Matches.
